## Letter from the President

The weather outside is frightful! at least it has been esp. when it comes to our meetings. As much as we hate to cancel and/or reschedule a meeting it was necessary last month. Hopefully we are past the real bad weather. We tried to contact everyone, Mark sends out the e-mail and I make approx. 60 phone calls. My apologies to anyone we may have missed. Please update all of your info., make sure we have your e-mail and phone number.

The next 2 months are going to be a little hectic with the sportsman show and the gold shows.

Please take a moment to check out the various sign up lists and volunteer where you can.

Volunteers are one of the reasons our chapter is so great.

See you at the next meeting, Sunday Feb. 12.

Debbie

## GOOD NEWS!!!

GPAA has committed to holding the Gold and Treasure Show for 2018 at the Clark County Event Center. Target date is March. Brandon asked me to get the proposal again this year with available dates. He will make a date decision soon. We asked for the event center, we asked for a years notice. He has given us what we asked for. So now we need to step up to the plate and hit a home run with an outstanding show.

## Puyallup Gold Show update

We will not be hosting the Puyallup show!

I was given incorrect information when the GPAA and the State director asked me to bring it to the chapter to see if we could host the show.

In talking with the Port Orchard Chapter President he told me that they had not been contacted about hosting the show. They would like to host the 2017 gold show and include other chapters from the area. They have their non profit tax status and have had it for at least 3 yrs. He is contacting the GPAA to get everything going and would like any help that we are able to give them. I have let Richard Robinson of the GPAA know that since the local Chapter has not only the desire but the ability to host the show we will take a booth and give them any support we can but will not be hosting that show. I will be available to Their President to help him any way I can. He has only been their President since June of this year.

I am so proud of our Chapter members for being willing to step up and help out our fellow mining members from the chapters to the north, as well as the GPAA.

This is a great opportunity for those chapters and Alan is trying to build the same relationship up there that we have with Portland and Brownsville.

Now that we know that that show is covered we can concentrate on co-hosting the Portland show.  
Debbie

### **Outings/Education**

We need a Education committee Chairperson and some committee members.

Bill Adams is not able to chair this committee as he had planned. He has a lot of personal commitments that will not allow him the time he wanted to give to the chapter to chair this committee.

Would you like more information on mining, geology, etc.? Please let me know and we will try to arrange it.

Is there something you think might be fun and/or educational for our chapter members? Let me know and we will see about setting up and outing and putting it on our calendar. Outing can be for a day or a week. Some examples are our trips to Whites Metal Detectors, Day Break Park, out beach mining trip, Roaring Camp etc.

### **Show and Special T-shirts**

As announced at our November general meeting, all those who are going to volunteer for the gold and treasure show this year need to sign up asap. Also we will need your t-shirt size.

We are asking that you contribute \$5 per person towards your shirt. It is expensive for our sponsor Designs of all Kinds to do the shirts. They have provided shirts for the last 2 years and again will be providing shirts for all 3 Chapters who are hosting the show.

Remember your shirt not only identifies the Chapter sponsors as well as you as a volunteer, but is your entry into the show and to get your food from our chapter.

Please sign up asap.

### **Committee Members Needed**

Just a reminder that we need additional committee members for the following:

- Outings
- Education
- Hospitality
- Picnic/holiday dinner
- Bar-B-Que and special events
- Membership
- Sargent at arms/safety
- Set up/tear down
- Sunshine and flowers

Please consider helping out.

All have Chairpersons but do need a few more folks to help.

If you need information, want to know what is involved, time needed or to volunteer, Please contact Debbie Witcher  
360-695-3215

### **This Months Featured Sponsor**

McCords Vancouver Toyota and RV Center has been a sponsor for our chapter for the last 3 plus years. They have been in business since 1992 and sell both new and used towable RV. including such brands as Travel Lite, Rockwood, Sylvan Sport, Coachman, Apex, Residence and Powerlite just to mention a few.

The RV center has supported our Chapter with generous donations and have been a vendor for three yrs at the Gold and Treasure Show.

They are a full service dealer in Association with McCords Vancouver Toyota. There is a parts department and service shop.

RV Center Manager Tom Lewis would like to remind folks that they are the only new RV dealer in Clark County and they carry a large inventory of new RV's. No need to fight the bridge traffic. They are local! Tom says they have enjoyed the relationship with SWWGP. Chapter members are easy to communicate with and are fun to be around. Being a sponsor to SWWGP has been a positive experience and they look forward to many more yrs to come. Sponsorship has added to there business. Looking to buy an RV etc? Mention you are a member of SWWGP or saw them at the Gold and Treasure show for a discount or if you are in the area stop in and say "Hi" and thank you for supporting SWWGP.

### **GPAA Gold and Treasure**

This years show is March 24<sup>th</sup>, 25<sup>th</sup>, and 26<sup>th</sup>, 2016. At the Expo Center in Portland, Oregon. Jerry Johns and the Portland Chapter are taking the lead this year. Our chapter has made the following commitment so far. We are planning on having a booth again, we will help with set up, and tear down as well as provide show labor.

We need to try to get more vendors. Over the last 2 years we have signed up 14 vendors so they are off the table to us, they become GPAA vendors. We need to think outside the box on vendors. Would you visit their booth at the gold show? Sign 'em up. You can contact me for help if you need it.

We also need to grow our Chapter sponsors as well.

This is a joint venture between Portland, Brownsville and the Vancouver chapters to host the GPAA Gold and Treasure Show. Please help Jerry to lead all of us toward another successful show. Remember just because it is being held in Portland does not make it a Portland show it is all of ours. We need to do our part, so please volunteer as we will all benefit.

This is a great opportunity provided to us by the GPAA.

### **Las Vegas Summit**

Interested in attending the Las Vegas Summit? Want to help out at the Las Vegas Show?

Please contact Debbie 360-695-3215. Dates are April 21-23 2017. There is limited space at the summit.

I have been asked to teach a class and present our our new member packet again. Randy Harper has been asked to speak again but we are not sure if he will be able to attend. The planned Host hotel is South Point.

## Committees

### Assistants and Committee Members:

We need some assistants and/or committee members for the following, T-shirts, Chapter Store, Membership, Library, Sunshine bereavement (part of the Sunshine committee) Outings, Awards, Adopt a high way, and many more.

Most of these already have a chairperson. This is a great opportunity to get involved, give a little bit of you time helping out.

If you would like to volunteer or have any questions please contact Debbie Witcher 360-695-3215 or [ddwitcher@yahoo.com](mailto:ddwitcher@yahoo.com)

### Outings Committee

We need volunteers for our outings committee. You will need to come up with ideas for outings. What are you interested in doing, seeing? Others may be too. We need suggestions for day trips, local and otherwise, week-end trips, etc..

Here are a few of the things we did this year: Whites metal detectors, beach mining, polka dot agate and Richards rock ranch, Roaring Camp, Daybreak, Lewisville, copper creek.

Please sign up and or give suggestions. Lets get our calendar started for next year.

### Library

We are in need of a new Librarian

For those of you who may not know we have a Chapter library. It contains books, magazines, DVD's, etc. Once you are a member you are entitled to check out materials for up to 30 days. You need to sign the log book with your information and what you are borrowing. Please do not keep the materials longer than 30 days so someone else can borrow it.

We currently have materials that have been checked out since April as well as missing materials. This is an honor system so please do not put our librarian in the position of having to call you to bring the materials back.

Our librarian is Dave Conti so if you have any questions or want to donate something to the library please contact him.360-256-0892 or [user764554@aol.com](mailto:user764554@aol.com)

### Chapter Store

Our chapter store carries a lot of items including t shirts and mning equipment. Needing something and don't see it? Just ask Maurene Koppi or Patti Long, they will see what they can do for you.

### NOME TRIP

Those of you who have signed up to go to the AKAU Lodge need to make your transportation arrangements and give me the date and time you will arrive in Nome so we can make arrangements for you ride to the Lodge. I would like to have a short meeting with everyone who is going after this months meeting. Lets meet downstairs in the kitchen/eating area. If you have questions please bring them with you and I will try to answer them. Final payments should be made by the gold and treasure show if possible.
