## Presidents Message

WE ARE BACK!!! July 11th 12:30 Board Meeting, 2:00 General Meeting

It has been a long time (March 2020) since we have had a general meeting. Tell your friends that meetings are starting. Come early and visit with members old and new. All the board members and committee chairs have been working together for the last 16 months to keep everything on track, updated and ready to go. We have improvised to keep bills paid etc. As you all know we are a non profit and most of our income comes from our raffles etc.

We have some fun things planned so I hope to see you all at the meeting.

Debbie

## MASKS

Covid is not gone, and even if you have been vaccinated please feel free to wear a mask. I am not going to be the mask police and check to see that you are or aren't vaccinated. Be cautious and help to keep our members safe and healthy. As with all gatherings there are folks who have some health issues so please be courteous.

## GENERAL MEETING

Our general meeting is scheduled for July 11, 2021 and will be held at the Minnehaha grange at 2 o'clock. Come a little early and visit with others.

We have a great raffle lined up. Tickets are \$1 each or 6 for \$5.

Tammy will be selling the 3 month raffle tickets as well. Those prizes include a pair of gold nugget earrings, a mans watch, outdoor cooker 2 Chinook Winds lodging packages and more. Tickets for this raffle will be sold thru our Sept meeting bar-b-que. That meeting has been changed to Sept. 19, 2021.

We are still deciding on a place and food.

We will have a table with some items that you can take. This will be on a first come first serve basis but please share. These are items that have been donated to the Chapter.

## **Equip Your Vehicle for Prospecting Season**

Some of the richest gold mining areas are very remote, located many miles from the nearest town. This is one of the things that makes gold prospecting such an enjoyable outdoor activities, but it also means that you need to go prepared so that you stay safe out in the backcountry.

If you spend enough time in the backcountry, you are likely to encounter a tricky situation. Whether that is getting lost, a flat tire, breaking down, or just losing your direction for a little while, having the proper preparation in place will keep you safe.

Before leaving town, make sure you tell someone exactly where you are going. Hopefully you will be accessible by cell phone, but some areas don't have coverage. Remember that, and never depend on your cell phone to keep you out of trouble!

Here are just a few things to keep in keep with you when you venture into gold country:

A good vehicle—one that has high clearance and 4WD is best

Survival Gear—A first aid kit, dehydrated food, and plenty of water

GPS—handheld GPS Units are inexpensive, Bring extra batteries

Map—don't depend on your GPS, Bring some other maps too.

Compass—learn how to use it properly with your map
